PL PROMISE CONVERSION UL

Universal Life Insurance With No-Lapse Guarantee
Available Upon Conversion From PL Promise Term

Extend Your Promise

When you bought your PL Promise Term life insurance policy, you began a promise: to protect your family's financial well-being should something happen to you. But what if you end up needing coverage beyond your initial expectations?

With PL Promise Term, you can extend your 10- to 30-year policy duration for up to a lifetime coverage by converting it to a PL Promise Conversion UL policy. Your acceptance is guaranteed, no matter your health. Convert all or just a portion of your current PL Promise Term coverage at any time during your chosen level premium period, as long as you do it before you turn 70.

PL Promise Conversion UL

- Choice of guaranteed duration: from age 90 to lifetime (age 121)[1,2]
- Predictable, level premiums[3]
- Return of Premium[4] feature and other optional benefits
- Guaranteed acceptance–no matter your health

[1]The Lifetime No-Lapse Guarantee Rider (Form series R17LYFNL, varies based on state of policy issue) is included in the policy at no additional charge. The no-lapse guarantee, depending on how you structure your policy, has a maximum duration of the insured's lifetime, subject to certain limits. If your net no-lapse guarantee value is zero, the no-lapse feature terminates. If the no-lapse feature terminates, additional premiums would be required to resume the no-lapse guarantee. If policy performance is such that your policy is being maintained solely by the no-lapse guarantee, your policy will not build cash value.

[2]Riders will likely incur additional charges and are subject to availability, restrictions, and limitations. When considering a rider, request a policy quote from your life insurance producer to see the rider's impact on your policy's values.

[3]Universal life insurance generally requires additional premium payments after the initial premium. If either no premiums are paid, or subsequent premiums are insufficient to continue coverage, it is possible that coverage will expire.

[4]Referred to as the Enhanced Surrender Value Rider in the contract (Form series R17LYESV, varies based on state of policy issue). Minimum premium requirements apply for the rider to provide a benefit.

Conversion Perks

Your policy is guaranteed to remain in place until the insured's age 90, as long as you pay at least the no-lapse guarantee premiums stated in your policy. You may choose to pay higher premiums and extend the guarantee for the duration of your choosing—up to lifetime (age 121).[1] Plus, you also get optional features, called riders,[2] to help expand or enhance your coverage.

Children's Term Rider — **May be added to your policy**

You may add or bring over up to $10,000 coverage per child (age 15 days to 18 years) into you new PL Promise Conversion UL policy.[5]

Return of Premium Feature

If you change your mind or no longer need the protection provided by your policy, you may get a full or partial refund of the premiums you've paid through the Return of Premium feature[4] included in your policy at no additional charge. You may surrender the policy within 60 days after the 15th, 20th, or 25th policy anniversaries for the enhanced surrender value, which is as follows:

Surrender the policy after stated anniversary and get the lesser of 40% of the death benefit or:

Year 15	**75%** of total premiums paid
Year 20 or 25	**100%** of total premiums paid

Return of premium percentages shown above are for issue ages 30 and older, death benefit of $250K+. Return of premium percentages and exercise years vary for issue ages 29 and under and/or death benefits less than $250K. Request a personalized quote for details.

[5]Children's Term Rider (Form series R17LYCTUL, varies based on state of policy issue). This optional rider coverage may be added at any time for a monthly charge based on the child's coverage amount.

There are circumstances in which replacing your existing life insurance or annuity can benefit you. As a general rule, however, replacement is not in your best interest. Your life insurance producer can provide you with detailed information as to how a replacement may affect your plan of insurance. You should make a careful comparison of the costs and benefits, including any applicable surrender charges, of your existing policy and the proposed policy to determine whether replacement is in your best interest.
